

Visitor and Volunteer Acceptable Use of Technology Policy

As a professional organisation with responsibility for children's safeguarding, it is important that all members of the community, including visitors and volunteers, are aware of their professional responsibilities when using technology. This AUP will help Rainbow Pre-school ensure that all visitors and volunteers understand the settings expectations regarding safe and responsible technology use.

Policy Scope

1. I understand that this Acceptable Use of Technology Policy (AUP) applies to my use of technology systems and services provided to me or accessed as part of my role within Rainbow Pre-school both professionally and personally. Classroom Practice

 - All communication will take place via school approved communication channels such as via a school provided email address or telephone number and not via personal devices or communication channels such as via my personal email, social networking account or mobile phone number.
 - Any pre-existing relationships or situations that may compromise this will be discussed with the DSL (Sandra Burgess) and the manager.
13. If I have any queries or questions regarding safe and professional practise online either in the setting or off site, I will raise them with the Designated Safeguarding Lead (Sandra Burgess) and the manager.

Policy Compliance, Breaches or Concerns

17. I understand that the setting may exercise its right to monitor the use of setting information systems, including internet access and the interception of emails, to monitor policy compliance and to ensure the safety of learners, staff and visitors/volunteers.
